RE: Purchase of Rohman Truck by Valley Cartage

It is with great pride that Valley Cartage announces the signing of a definitive agreement to purchase Rohman Truck, headquartered in Trimont, MN! The agreement is due to take effect on Tuesday, September 2, 2008.

Jerry Gilbert, CEO of Valley Cartage said "Purchasing Rohman Truck represents an opportunity for our company to improve our service to the entire state of Minnesota." Jerry Gilbert continues, "Ryan Rohman has always been a great partner to work with and we will carry on the tradition of excellent service for customers and employees."

Todd Gilbert, President of Valley Cartage said "Rohman Truck is strategically placed in Minnesota to help provide the high quality of service our customers have come to expect. Valley Cartage looks forward to continuing that same great service."

Ryan Rohman approached Jerry and Todd Gilbert about the sale in the summer of 2008. "With the increase in fuel costs, it has become more and more difficult to operate a profitable LTL trucking company, especially with the size of our operation," said Ryan Rohman, President of Rohman Truck. Ryan Rohman continues "we have worked with the Gilbert Family for a long time and I knew they were the type of company I wanted to sell to so my customers would inherit the same great service."

On behalf of all of the employees of Valley Cartage, we look forward to continuing to provide the excellent service that Rohman Truck customers have come to expect.

Sincerely,

A handwritten signature in black ink that reads "Jerry Gilbert". The signature is written in a cursive style with a large initial 'J'.
